LETTERS SQUAD

Heloooo, Sonic Squad! Ohhh, I love visiting Angel Island, don't you?! Thank you for joining Ian Flynn, Thomas Rothlisberger, Leonardo Ito, and Shawn Lee for issue #62! Now, let's take a look at your art and letters!

Hi there, IDW Sonic Team,

I'm PJ, but most people know me by my character's name, Kaibette! I'm currently an illustration student, and I just wanted to thank everyone for their work. I'm especially grateful for all the new characters that have

been introduced. I've been a Sonic fan since before I knew how to read: my very first game was *Sonic the Hedgehog 2*!

I've only kept up casually until I started reading these comics—or rather, until you introduced Clutch the Opossum. He instantly became my favorite character out of the entire franchise. It's been a rough couple of years for me, and Clutch has been a consistent inspiration and muse whenever my mood gets low. (I've drawn him so much that people thought he was my character, sorry!) I honestly don't know where I would be without him and these comics. Thank you so, so much for everything you all do, and I'm super excited to see what more you have in store for him!

SONIC™ THE HEDGEHOG

Attached are some of my fan works. Let me know what you think!

Much appreciated,
PJ

Hi, PJ!

Thank you so much for your letter and art! All your Clutch art was so cute, it was difficult to pick one to include. I love when people's favorite character is one who doesn't appear as often. I hope you were stoked to see him in this issue. Clutch might

be hanging around a lot more moving forward... Also, I hope that he, and the Sonic books, continue to bring you comfort and inspiration. (But I hope he doesn't inspire you to do crime... Don't do crime, PJ.)

Thanks for joining us, Squad. Don't forget to send your art and letters to letters@idwpublishing.com, and make sure to mark them "OKAY TO PRINT"! And join the IDW Sonic Comics Squad on Facebook! Next month, check out Sonic #63 to see what the heck Mimic is up to!
